*Canadian Access – Canada is going to be granted an access that other nations, even America, could not have. I don't know when, I don't know where. He is going to grant her (Canada) an access. When she (Canada) goes to this place where ever it is, she (Canada) is His emissary.

Saturday August 18th @ 10:00 am

Spiritual Song (Diana Tripke):

In quietness and confidence will be your strength

In quietness and confidence will be your strength

In confidence, in confidence

In quietness will be your confidence

In quietness will be your confidence

In quietness, In quietness, In quietness

In quietness, In quietness, In quietness (Repeated)

Tongues and Interpretation during teaching about using the gifts of the spirit (Billye Brim):

*Do not rely, do not do without, do not enter into the sin, do not doubt, (*tongues*) but believe for these gifts to be given to thee.

Exhortation in Teaching (Billye Brim):

*For you see we are on our way. This is the last of the last days, and you are here in this place, given even a commandment from God to run your race not only as a people but as a nation too. The Lord Most High will use you!

Exhortation in Teaching (Billye Brim):

*Everyday from now until then the power will increase in you, the sons of men who are born again. Ready in that power in this day you shall be, for the Lord your God has summoned thee.

Saturday August 18th @ 7:00 pm – Billye Brim

(*tongues*) There is a realm and a heavenly rhythm in which you can flow. (*tongues*) And the rhythm will be revealed to you as you go (*tongues*) as was mentioned tonight the muscles learn what to do and it the very same with you. At first when you take your place it will seem to be almost like a dream. A little funny and you will say "I hope no one sees

me what I'm doing today" but someone does see you and they are watching you grow stronger and your muscles flex and your words longer in their reach. Even in your realm and out beyond... the Lords authority...(*tongues*) will stop things the enemy has planned here in this city, in your schools. The tragedies that you hear don't have to happen, if you will do what the Lord your God has given to you, but if you do not it shall be as some the things that you see on TV. But in your realm you can reign by My Blood, My Word, through My Name. Yes, you must do the Word as I told you to not a hearer only but a doer you must do. Things are about to change and rapidly it will seem, on an intentional scheme people will be afraid but not you because you know what I'm about to do I'm about to come and straighten it all out and you're on My side so do not doubt fear not neither be afraid but walk in the plan that I have made. Now you know it I have been emphasizing it in the last year or so for My children to see and know where they sit and what to do. It has been revealed even unto you and I'm speaking to your heart and you know your part. Hallelujah and you will walk even in the last hour when darkness seems to overtake so many you'll walk in glory and you'll walk in power. And the presence of the lord will be seen in your camp, in your home, where you walk, on your face, and in your talk, the presence of the Lord manifested will be and the glory of the Lord will rise upon thee and sickness and disease will flee far away first from you and others at the words you say. I have a plan and it shall be Hallelujah, even every knee shall bend to Me and you will be there ha ha ha trophies at My right hand. And the victories that you are winning bring glory to Me and I'm rejoicing that my body has started to see...don't be afraid that enemy's plans to stop the body will succeed. Hallelujah, even if it takes a shake or two I will have the body ready just like you. Hallelujah, Bless the Lord, Praise the Lord and you will see that church rise and eventually it shall be only one step of glory... in fullness you'll be. A change has taken place in you of a very recent date. And you will know I am not late, I'm right on time, I'm right on time and your heart will chime in rhythm with Me and you'll walk out into eternity. Praise the Lord, Glory to God.

Prayer

Spiritual Song: Things are gonna be different at your house, things are gonna be different from now on. Things are gonna be different at your house. You've got a new robe on. You put on your heavenly garment your attired for the role. Your seated at the right hand of the of the Father and the Master and you are in control. Hallelujah

Don't be dismayed by bad news. Don't let it bring you a shred of doubt. He loves to tempt you to come down and join him in a different arena. He loves to take up the bout in the arena of your mind. But he knows if you'll stay in your chair he hasn't the slightest chance, and so the news that comes from afar or near that is not what you want to hear ha consider the source and handle it from your chair and things will change down there. Hallelujah. It is written in Psalm 112 that the man of God is not afraid of bad news. Hallelujah. Glory!
