### The Plan and the Place

*Excerpt from Chip's message on Feb 29, 2016 in Kelowna, BC.*

Our ministry here on earth is all about being in 'the place'. To be in that place, which is described in Psalms 91, is the right place for every child of God. **It's the secret place of the Most High, a place of authority that is above all the works of the enemy.**

This is a vital message to the church in these last hours of these end times. **We need to operate in our place of authority if we are to usher in the return of the Lord Jesus Christ.**

Read Jeremiah 29:11-13. **God's plan for your life and the life of the church is to seek Him, find Him, and to live in that place of authority.** It is when we are resting in that place of peace and trust that God is able to turn our situations around. **There is no room for fear**

**and doubt in that place.**

We are in the end of days and in the middle of a large battle as the enemy tries to halt the plan of God. But there is a game plan; God has a game plan! **Oh what a plan, oh what a planner!**

In Eph 1:9-11 it says that '*At the right time God will bring everything together under the authority of the Lord Jesus Christ.*'

The Head and the Body are coming together, working and operating as one. We are united

as one body with Christ Jesus our Lord. This is the plan. **The head cannot do anything without the body, and the body does not have direction without the head.** We need Christ and He needs us, if the plan of God for these last days is to be carried out to fulfillment.

We have been given the keys to the

Kingdom of Heaven, and whatsoever we loose on earth is loosed in heaven. The authority of the Head is the exact same authority that the Body has the right to exercise. **If the Head has access to the resources of the Kingdom, so does the Body.** We have free access to God's Kingdom- there are no more barriers between God and man.

We have been given authority and a place of authority at the right hand of God. Ephesians 2:6 says

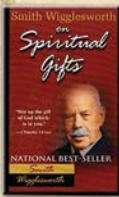

**If the Head has access to the resources of the Kingdom, so does the Body.**

that, '*we are raised up and seated with Christ in the heavenly places!*' From that place, we have the advantage over the attacks of the enemy! **We are above anything that he could send our way! This is the plan of God- that we remain and operate from our place of authority!**

Father Pandosy was a missionary who came to the Okanagan Valley of southern BC in 1858. **He set up the first permanent settlement in the region, with a church, school, and lodging houses for travelers.** Working in poverty, barefoot and bareheaded, he served Indians and whites alike as a teacher, doctor and lawyer... Other missionaries and settlers came to the Okanagan, but Father Pandosy was the outstanding figure among them.
