

The Canadian:

BILLYE BRIM MINISTRIES POST.

AUTUMN 2015 EDITION

**Excerpts from Ms. Billye's
NEW Book 'How You Can
Pray in the End of Days'**
(pgs. 96, 132-133)

**"We are a body prepared to do God's
will in the earth.**

God has a will for the earth and its peoples.
In our dispensation, we are to be His body.
His channel through which He can get His
will into the earth.

Christ the Anointed
One; is the Head; we
are the Body."

Ephesians 1:22-23

(KJV) *'And hath
put all things under his feet, and gave
him to be the head over all things to the
church, Which is his body, the fullness of
him that filleth all in all.'*

**John Wesley said, 'It seems God is
limited by our prayer life – that He can
do nothing for humanity unless someone
asks Him.'**

Why? It has to do with authority on the
earth.

**God needs a body through which to
work ON the earth. . .**

**God needs a body through which to
get His will INTO the earth. . .**

Prayer changes things!

Other chapters in the book include
teaching on:

- *Authority of the Believer
- *Our Ministry in the Heavenlies
- *Praying in Tongues in the End of Days
- *Praying for Nations and Leaders
- *How You Can Pray for Israel and
Jerusalem

**"It is prayer and the pray-ers
that are so vitally essential to
God's plans."**

Billye Brim Ministries

Canadian Post. Jerry

Savelle had a Word for

2015 that has resonated

in our ministry throughout

the year. This is the year of

visitations, demonstrations, and

manifestations of the glory of God.

We pray this over all of our partners

and this ministry.

We know we are coming into

a time like no other, but it's

important that we know what role

we as Christians play. The back of

the Book says we win! So don't lose

heart and don't get in fear! Know the

authority that has been given to

you and walk it out! If you do, you

will not lose hope!

(1778-1867)
First Anglican Bishop of Toronto
Founder of Ontario's School System

“Bishop John Strachan, a leader who helped form our public education system, stated that the Church must continue to play a central role in education. ‘You cannot divorce religion from education because schools will inevitably reflect the philosophical and religious or (irreligious) biases of those who direct them.’”
