

Prophecy for Canada – Billye Brim

November 3, 2009 Autumn Assembly Tent Meeting

Hallelujah! I have started something in Canada. I have begun a work. It shall continue and it shall grow from glory to glory to glory until the return of the Lord. It is the result of My Body in Canada praying.

It is not the result of political actions, nor is it limited by political actions, but it shall continue for your beloved land for which you have petitioned Me.

I have heard your prayers from those here and there and I am moving by My Spirit. Don't let the enemy take it away. Continue to walk in the Spirit from day to day and especially in united prayer and you shall see what you believed Me to see.
